POST SHOW REPORT

Kyiv International Contract Fair, the organizer of **FoReCH&IFFIP 2020**, is grateful to all exhibitors, partners, speakers and guests for active participation in preparation and successful holding of the exhibitions. Despite quarantine, which made all of us adjust the process of preparation and holding of the events, a great number of fruitful meetings took place, dozens of profitable agreements were signed and exhibitors got maximum effect from participation.

Since directions of the exhibitions complemented each other and created a favorable business atmosphere, visitors and exhibitors had a unique opportunity to extend their business contacts. Exhibitors presented novelties and best samples of products, found new clients and maintained their reputation of successful market players, as well as defined prospective development directions. For 3 days visitors had a chance to communicate with exhibitors, learn about recent trends and place orders on favorable terms.

At **FoReCH 2020** the following products were presented: tea, coffee and coffee equipment; frozen food, fish and seafood; furniture and interior solutions for restaurants, cafes, bars; textile for HoReCa sector; tableware, accessories; automation, software and technical solutions for cleaning in HoReCa sector.

At **IFFIP 2020** the following products were presented: technologies, equipment and ingredients for food industry, bakery and confectionery; technologies and equipment for production of packaging materials, containers and packaging, dosing, prepacking, corking and other operations; containers and packaging, auxiliary materials; packaging materials; printed products; labels, materials and equipment for their production.

- FOR THE FIRST TIME at FoReCH **BREW BATTLE** and **VEGAN LATTE ART BATTLE** supported by Barista Games took place.

International Expoforum of Restaurant, Hotel Business and Cleaning **FoReCH** and International Forum of Food Industry and Packaging **IFFIP** always attracted specialists with their relevant and intensive business program. It includes seminars, workshops, presentations, contests and other events.

Key events at FoReCH&IFFIP 2020:

- On September 24 All-Ukrainian meeting **“LIFE AFTER IMPLEMENTATION OF HACCP: CONSTANT IMPROVEMENT OF CURRENT FOOD SAFETY SYSTEM”** took place at **IFFIP 2020**. It was a really large-scale event for specialists in safety and quality of food, since there were no free seats in conference room and presentations by speakers were followed by lively dialogues and discussions.
- A regular partner of IFFIP – Club “Packagers of Ukraine” together with the exhibition organizer held the awards ceremony of Ukrainian contests for the best packaging **“UKRAINIAN PACKAGING STAR 2020”, “UKRAINIAN LABEL 2020”** and **“PACKAGING OF THE FUTURE 2020”**. This year 52 samples of packaging and labels from 23 Ukrainian companies from 12 cities, as well as 53 samples of packaging by young designers from 10 educational institutions from 4 Ukrainian cities were presented in the contest. The winners from 19 companies received honorary prizes and diplomas. The list of the winners includes: PrJSC Vetropack Gostomel Glass Factory (their 16th award), PJSC Rubezhnoye Cardboard and Packaging Mill (their 10th award), Polymercenter (their 1st award), Vital Pack (their 1st award). Hanna Machynska from Ukrainian National Academy of Fine Arts and Architecture was the first among students.
- Ukrainian Bakers' Association and Kyiv International Contract Fair held the conference **“CURRENT STATE AND LEGAL REQUIREMENTS TO PRODUCTION IN BAKERY INDUSTRY”**. Relevant questions of quality and safety of bakery for increasing of competitiveness of Ukrainian bakery industry were discussed. The awards ceremony of the Ukrainian contest for bakery in the following categories “The best fancy pastry 2020”, “The best bread made of mixture of rye and wheat choux pastry 2020”, “The best packaging for bakery 2020” was also held during the conference.
- the battle in brewing of the best coffee drink

with manual brewing method lasted for 2 days at FORECH. 24 baristas from different Ukrainian cities took part in the battle competing in brewing with 3 manual methods: AeroPress, Hario V60 and Clever Dripper. The winner of BREW BATTLE is Evhen Babko (Jays Coffee Brewers coffee shop), a barista from Zaporizhzhia.

- On the last day of the exhibition **VEGAN LATTE ART BATTLE** accompanied by loud cheers of the audience took place. During the battle participants made drinks with latte art, using superfoods Fonte and plant drinks Alpro (that is without coffee and milk). The main prize went to Vladyslav Ivashchenko, a barista from Kyiv who works in Paragraph Coffee coffee shop.

Management team of **FoReCH&IFFIP** is grateful to all exhibitors, partners and guests for the interest in the exhibition! Successful holding of the exhibitions is our joint success and we proved that business keeps working and life keeps going on.

**See you at FoReCH 2021 and IFFIP 2021
in the International Exhibition Centre (Livoberezhna metro station)!**
