MIDDLE EAST

25-26 October 2022

Online and Dubai World Trade Centre, UAE

FORGING A FOOD-SECURE FUTURE

Future of
Food Partner

NEOM

2022 POST SHOW REPORT

Brought to you by

informaconnect

FEEDING THE WORLD WITH THROUGH SUSTAINABLE FARMING.

The largest agricultural trade show in the Middle East.

The 2- day AgraME conference brought together over 4000 attendees from 100+ countries. A key meeting hub and centre of business for the agricultural industry, the event brought together vendors and buyers from across 4 key sectors of the agriculture markets: horticulture, livestock, aquaculture, and fresh produce.

Central to discussions across the two days and during the two conferences was the impact of climate change and how to create sustainable food supply for growing populations. There were in-depth insights, solutions and knowledgeable presentations on food security, drawing on a wealth of expertise from growers and tech providers in the region. Attendees gathered across the two days and connected with local end users, suppliers, supply chain and logistics companies both regionally and internationally.

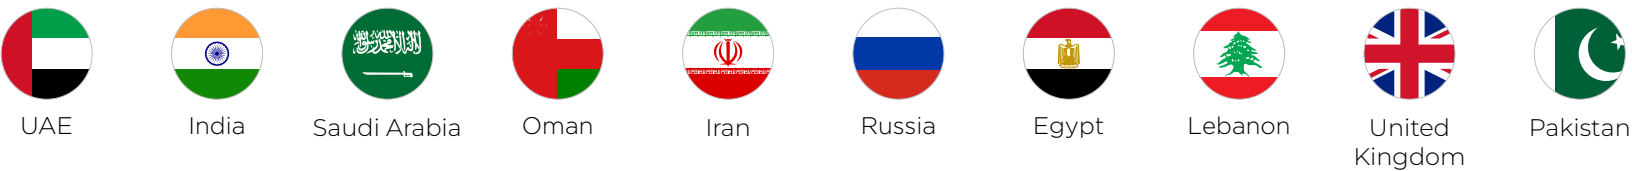

AgraME is the central hub in the Middle East for innovative farming techniques, supported by Ministry of Climate Change & Environment, the exhibition is pivotal to furthering the regions aims to achieve food security and independence.

ENABLING FOOD SECURITY IN THE MIDDLE EAST AND AFRICA

TOP 10 VISITING COUNTRIES

BREAKUP OF PRODUCT SECTORS

AgraMe is the place where you can participate, communicate, receive knowledge, market your business and be up-to-date with new innovations in agriculture.

Ahmad Majar, Manager, ALSHAMS Farm Nursery

AgraME has been pivotal in helping me close gaps in my understanding regarding vertical farming with updated technologies and connecting me with prospective suppliers to help me build my farm. AgraME is not only a resourceful event to get updated knowledge on the Agri sector but also a powerful tool for marketing your products.

Deepa Ramachandran, Research Scholar, VIT

Amazing Exhibiton. Highly recommended to all in the region and beyond to attend.

Farhan Najeeb, Managing Director, Digitech Consultancy Services

Agra Middle East is one of its kind in this region.'

Zarine Kolaparambil Najmuddin,
Director - Engineering and
Technology, Farms and Farmers
FZ-LLC

A great trade show. More importantly, focusing on food security within the region and giving companies a platform to showcase their USP.

Neel Mehta, Managing Director,
Bio Catalyst

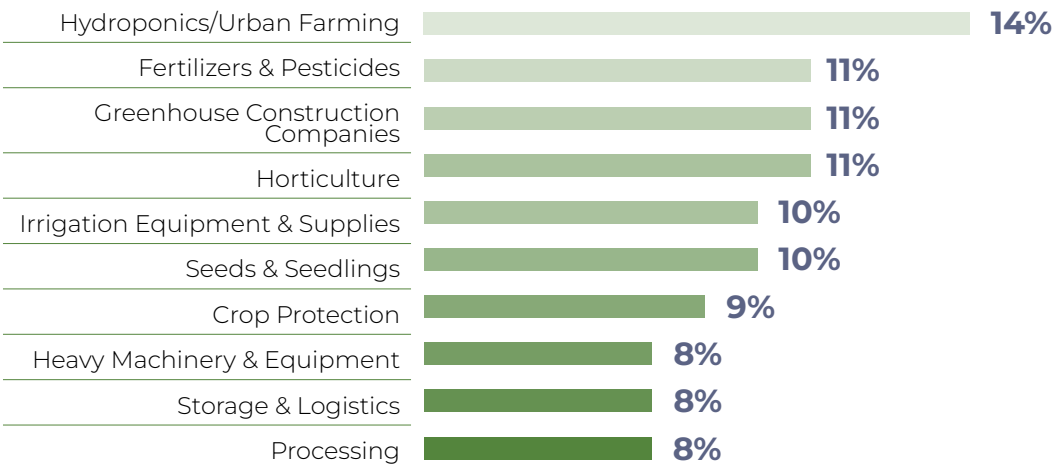

The business of future is here and Agra Middle East has pioneered to bring to gether the future farmers and farm activities along with experts and technologies at play. Look forward for more such events and love to see international collaborations happening here at Agra Middle East...'

Jastin Koshy, Sales Manager, Quick
Supplies General Trading LLC
