7th Edition of Agritec Africa 2022 an International Exhibition and Conference on Agriculture Industry was held from 15th to 17th June, 2022 at Kenyatta International Convention Centre (KICC), Nairobi, Kenya. Radeecal Communications organizes Agritec Africa since 2014 and the 7th Edition was successfully concluded on 17th June, 2022.

The Exhibition was **Inaugurated** by H.E. Dr. Virander Paul – High Commissioner of India to Kenya, Lawrence Omuhaka, CBS, CAS (MOALF&C, Livestock), Alexander Haus, Head of International Department – VDMA Agricultural Machinery, Mr. Sanyal Desai, CEO, Radeecal Communications.

Agritec Africa 2022 has witnessed around **10,000+ Visitors** from Entire Africa and Abroad. This dynamic event on Agriculture designed for Farmers, Agriculture Business People, Agronomists, Biotechnologist, Government employees and for everyone who are willing to take The Next Giant Leap in Agriculture.

This year, 7th Edition of Dairy, Livestock & Poultry Expo Africa 2022, 2nd Grintech Africa 2022 and Foodtec Africa 2022 were also organized as a concurrent events.

The 2022 Conference of Agritec Africa, based on the theme of **"IMPROVING FARMERS' INCOME THROUGH TECHNOLOGY"** was organized along with the three days of the Exhibition i.e. June 15th to 17th 2022. The Conference had invited **200+ High Profile Professionals** based on academia, youth organization, government associations, and development practitioners.

The conference highlighted the critical work that Farm mechanization plays in improving the farmer's income through technology. The conference similarly focused on Organics for Development, Soil conservation, land management, Contribution of Agri-Mechanization and Plasticulture Applications & Precision techniques in Protected Structure.

Yesterday, I attended the Agritec Africa Expo at KICC. The Expo provided an opportunity for international companies with Agricultural technology innovations to meet with farmers but also most importantly, local distributor companies.

Africa ought to embrace mechanization as a solution to food security. [#technology](#) [#AgriTecAfrica](#) [#ExpoKE2022](#)
