AgritecAfrica

June 15 - 17, 2023
KICC, Nairobi, Kenya

The Market

Kenya's agriculture sector directly influences overall economic performance through its contribution to GDP. Periods of high economic growth rates have been synonymous with increased agricultural growth. Several untapped crops cultivation in Kenya affect African Economy. Tea, Coffee, Sugar, Horticulture, Floriculture, Cotton, Macadamia Nuts, etc. Kenya is a leading producer of tea and coffee, as well as third leading exporter of fresh produce, such as cabbage, onions and mangoes. Small farms grow most of the corn and also produce potatoes, beans and peas.

Kenya Vision 2030 was launched in 2008 as Kenya's development blueprint covering the period 2008 to 2030. It was aimed at making Kenya a newly industrializing, industrializing, "middle income country providing high quality life for all its citizens by the year 2030.

Government will also focus on the 2030 Agenda for Sustainable Development and its 17 Sustainable Development Goals (adopted by world leaders in 2015) to embody a roadmap that is sustainable and leaves no one behind.

The Exhibition

Agritec Africa is an ideal exhibition platform one can get to increase networking and contacts in Agriculture, Livestock, Dairy and Grain industry. Visitors from neighboring countries attend the show and carry out detailed business engagements. Industry experts discuss progressive farming techniques and technology related therewith-in conferences and workshops.

More than 150 companies from 15 countries participated in AgritecAfrica 2022.

- DLP Expo Africa
- GrainTech Africa

The international specialized exhibitions **DLP Expo Africa** and **GrainTech Africa** will take place for the fourth time along with AgritecAfrica.

The trade fair offers itself to be a meeting-place for the agricultural and agribusiness community of this region in Africa.

Take the opportunity to meet new customers, end-users and experts! Register for **AgritecAfrica!**

Our experience is your profit

Main Topics

Agricultural machinery and agricultural equipment • Seeds, plants, fertiliser, grain technology • Plant protection • Storage techniques • Transport technology • Automation systems • Environmental protection • Employment safety • Training and education • Consulting • Financing and insurance • Livestock breeding • Reproduction technology • Feed producing and storage • Veterinary medicine • Milking and cooling equipment • Animal housing and barn construction • Feeding technologies • Technologies for dung, solid and liquid manure

Standard equipment

- Octanorm walls and grey carpet
- 1x table
- 2x chairs
- 1x infocounter
- 1x waste bin
- 1x power socket

Registration **Deadline: April 10, 2023**

Standard Stand
(illustration only)

Our Service

- Extensive personal support before and during the exhibition;
- Competent consulting for stand construction;
- Support by our experienced partners regarding transport, customs clearance and travel;
- IFWexpo-service-office at the exhibition;
- Free entry-tickets for your clients.
