

17-19 April 2024 · Melbourne, Australia

WHY SHOULD YOU PARTICIPATE?

FutureAg Expo is a trade exhibition and conference for the agribusiness sector, which comprises the entire value chain, from production, industrialisation and marketing of agricultural products.

FutureAg Expo will encourage industry professionals to exhibit their products and innovations in this international B2B platform dedicated to agriculture, livestock and fisheries. It will be a unique opportunity to showcase products and services, equipment and 4.0 technologies, agricultural inputs, transformation and processing, distribution and logistics, specialised services and product for the wholesale market.

1. The only trade fair of its kind in Australia
2. Vast and diverse scope of companies and sub sectors
3. Potential to build a reputation of Australia as International Ag-tech hotspot
4. First Class Customer Potential
5. Providing a platform for industry pioneers to present global innovations
6. Cutting edge Ag-tech and innovation
7. Global business meeting place
8. Potential to attract highest level policy makers and influencers
