

The Nation's Largest Outdoor Farm Show

The one show you can't AFFORD to miss

**FARM
PROGRESS
SHOW® 2023**

EVENT PROFILE: 2023 REPORT

Survey/Research Methodology

- Research conducted exclusively for the Farm Progress Show.
- Methodology, data collection and analysis by Informa Engage Research, the U.S. research group of Informa, parent company of the Farm Progress.
- Data collected September 16 through October 6, 2022.
- Methodology conforms to accepted marketing research methods, practices and procedures.
- Survey results are based on 285 completed surveys.
- Insights also include profile match to Farm Progress database. (Demographics based on identified producers on attendee information gathers from 30,099 ticket sales, giveaway and VIP program registrations.)

Objectives

The purpose of this study was to:

- Measure the primary reasons why producers attend the show.
- Identify demographic characteristics of the producers who attended the show.
- Assess purchase intentions of various products and services.
