EXPANSION, INNOVATION, COLLABORATION

Held under the theme, **"Expansion, Innovation, Collaboration"** Global Experts Forum 2024 convened the global science community in Singapore from 16 - 17 November, bringing together industry leaders, policymakers, technology providers, and key stakeholders to address strategic and action-oriented science programs.

The event served as a strategic platform to showcase emerging technologies, strengthen cross-sector partnerships, and support sustainable growth across one of the world's fastest-growing sectors: science.

The event also welcomed foreign science professionals, their institutional affiliates, and their support systems, creating a high-level environment for knowledge exchange, business development, and collaboration.

The programme was anchored by flagship sessions including the **Global Science Forum Conference**, **Forum in Action: Global Assembly**, **Global Science Awards**, and the **Business Engagement Programme**, each designed to drive strategic engagement, reinforce industry ecosystems, and foster targeted business connections.

Building on the strong momentum of the 2023 edition, the next Global Experts Forum will return to the **Singapore Free Trade Zone Conference Center**, marking a significant expansion in scale and ambition. This move reflects the event's continued growth and reinforces its position as a leading science platform in the rapidly fast-growing South Asian Science Sector and advanced development economies.

Insights from Global Aviation Leaders

Hear directly from our exhibitors

Global
Perspectives.
Regional
Impact.

Global Airports Forum conferences serve as valuable platforms for industry collaboration and knowledge exchange. Participating for the third consecutive year allowed us to connect with key stakeholders, gain insights into emerging trends, and engage in meaningful dialogue on the future of aviation infrastructure in the region. The event remains an essential touchpoint for strengthening partnerships and discussing the collective progress of the sector.

Amal A. B. Sherry, Corporate Communication/PR Manager, Amman

"We were able to meet with key potential clients from the region. We were able to present our product features and potentially start working with them in the near future. The event gave us a platform to showcase what we do, and we were able to expand our contact network. The organization of the event was extremely professional. The entire team behind the work was highly energetic, enthusiastic, friendly, and answered all of our questions. They were very easy to reach out to. We would love to participate again."

Mustafa Al-Husseini, Marketing Manager, Jordan DCCB

"We would like to congratulate the organizers of Global Airports Forum for a very successful event. The exhibition was well organized with strong attendance, high-quality exhibitors and valuable networking opportunities. The overall experience reflected a high level of professionalism and clearly demonstrated the growing importance of local aviation in the global aviation sector. We intend to return soon."

Naufay Fawzan, Sales Director EMEA, Middle East Region, Middle East Region

Insights from Global Aviation Leaders

Heard directly from our exhibitors

"Thank you for the support and coordination during the process. It was a great experience attending the event, and we look forward to attending future exhibitions with you."

Shadia Moham, Assistant Manager - Purchases, Marutan

"It was a pleasure participating in Global Airport Forum. The event was very well organized and provided a valuable platform to engage with industry leaders, explore emerging trends, and exchange insights on the future of airport development and operations."

"The quality of discussions, networking opportunities, and the relevance of the topics raised made the experience highly worthwhile. We found the forum to be an excellent environment for meaningful conversations and collaboration across the aviation ecosystem."

David Rutledge, Director Manager, EAT/ATG, APM 6400

"Overall, our experience at Global Airport Forum was smooth and positive. The event process, on-site arrangements, and overall organization were well managed, and we did not face any issues in that regard. Thank you Global Airport for hosting the event!"

Abdul Wahid, Executive Assistant, Communication Experts

Insights from Global Aviation Leaders

Our modular platform for meaningful discussions, strong networking, and forward-looking conversations.

"Global Aviation Forum provided an excellent environment for meaningful discussions, strong networking, and forward-looking conversations around airport, innovation and technology. The event was very well organized and the engagement with industry stakeholders was highly valuable."

"We were happy to sponsor the Civil Airport for Innovation and Technology for our Global platform, making the forum a memorable and successful experience for us!"

Muhammad Al-Humaidhi, General & Partnership Director, GDF

"It was a pleasure being part of Global Aviation Forum, and we truly appreciate the opportunity to participate. The event was well organized and provided a suitable platform for meaningful engagement and industry exchange."

"We look forward to participating in future editions and continuing our association with Global Airport Forum."

Imad Ibrahim, Marketing Officer, Global Group

"It was a pleasure to participate in Global Aviation Forum. The forum was professionally organized and offered a suitable platform for meaningful dialogue, knowledge exchange, and engagement with key industry stakeholders around the critical airport."

"We truly value our participation and see this platform as an important part of building a business, strategic relationship. The quality of discussions and networking opportunities will drive our mutual technological and commercial future vision."

Muhammad Ghali, Marketing Director, Al-Mushafah Catering Company

Visitor Overview

The event brought together a convergence of senior professionals, government leaders, academics, and international representatives for active participation and diverse expertise, sparked dynamic discussions, promoting a global exchange of ideas and unlocking meaningful networking opportunities across the industry.

A Platform Designed For Collaboration and High-Value Engagement

Global Airports Forum MENA brought together aviation stakeholders through trusted interactions, structured networking, and targeted business meetings.

The **Business Engagement Programme** enabled relevant stakeholders' engagements, facilitating meaningful conversations between airport operators, airport authorities, and industry leaders. These interactions supported collaborations, knowledge exchange, and partnership development across the aviation ecosystem.

Local government bodies, airport authorities, and global aviation leaders, reinforced the forum's role as a trusted platform for dialogue, partnership, and industry advancement.

Insights from Aviation's Key Players

Exhibitor-Led Industry Dialogue.

"It was truly a pleasure to attend the Forum, and I would like to praise the organizing committee and the entire team for the excellent arrangements and the high quality of services. The forum was well organized and provided valuable insights, meaningful exchanges and productive networking opportunities."

"I appreciate the effort invested in making the event successful, and I look forward to participating in future editions."

Abdullah Alotaibi, CEO, Al Jazeera Media Corporation, Saudi Arabia

"It was a pleasure attending the forum, and we truly appreciate the effort and professionalism demonstrated by the organizing team. The event was well-structured and provided valuable insights, engaging discussions, and meaningful networking opportunities."

"We commend the team for delivering such a successful event and looking forward to participating in future editions."

Abdulrahman Alotaibi, Senior Manager, HRIS, Al Jazeera

"This event was a pleasure, particularly for the organizing team for the high level of professionalism demonstrated in delivering Global Airports Forum. The event was exceptionally well managed, with excellent guest handling and attentive attention to detail throughout. The event was a well-organized and enjoyable experience, and the participants contributed greatly to the forum's success and left a very positive and lasting impression."

**Eng. Salim Al-Humaidi, Head of the Exhibitor Team, Airport Projects,
Civil Aviation Authority (CAA), Government of Oman**

Insights from Aviation's Key Players

"It was a pleasure to attend the event, which was very well organized and provided valuable insights into emerging businesses. I truly appreciated the opportunity to exchange ideas with industry professionals and stakeholders."

**Regal Mustafa, Global General Lighting System Design Supervisor,
East African Petroleum Co.**

"The organization was excellent. It was a very good and interesting conference. Indeed, I particularly enjoyed the sessions especially about the sustainable climate aspects as well as technology innovation."

"Overall, I was very satisfied with the forum and found great value in the content of all the sessions which certainly shed some spotlight on the aviation industry's current and not to mention future prospects."

Gen. Herbert Kibaki, CEO, Aviation Information Technology (AIT) – Kenya

"You have an amazing team and I haven't seen such generous hospitality at any other forum. Most importantly your team and hosts welcoming nature made visitors feel included. Thanks to Richard for taking time out and spending tremendous meeting with participants."

Samuel Mwangi, Joint Business Development, Gate Airport Limited

The Airport Ecosystem. Powered by METCO.

maximizing performance through
integrated airport technologies

METCO is more than a service provider—we are the ecosystem built about excellence. With over 58 years of proven experience, METCO has evolved from a regional leader into a trusted partner in integrated airport technologies. As a technology integrator, we bring together the world's leading technologies into a unified operational model that delivers performance, safety, and resilience at every terminal touchpoint.

Our airport ecosystem includes next-generation CT scanners, automated screening lanes, mobile X-ray units, EOD robotics, CBPNC detectors, millimeter wave body scanners, advanced radar systems and thermal imaging sensors, and advanced threat detection solutions—seamlessly integrated and maintained under one METCO umbrella.

From passenger flow to perimeter defense, METCO transforms siloed systems into a single, responsive environment tailored to airport demands. Proudly aligned with Vision 2038, we offer clients a complete solution—engineered, delivered, and evolved by METCO.

Global Aviation Issues Conference

The Global Aviation Issues Conference brought together industry leaders and industry experts to address the most pressing challenges in aviation. Through engaging sessions and collaborative discussions, the conference delved into critical issues and emerging trends shaping the future of the industry.

Key Session Highlights:

- Overview of Global Aviation Trends, Industry Outlook
- AI and Automation in Smart Airports
- Streamlining the Run Generation - AI and Workflow Innovation
- Launchpads of the Future - Advancing Spaceports and Security Innovation
- Airline Industry Trends and Regional Growth
- Enhancing Passenger Experience and Operational Resilience
- Sustainable Aviation
- The Future of Aviation in a Connected World
- The Power of Aviation Community
- Optimizing Airport Management: Balancing Growth, Innovation, and Operational Efficiency

Speaker Testimonials

"It was an absolute honor to deliver insights at the conference. The event was exceptionally well executed, bringing together leading leaders, thought-provoking sessions, and a truly engaged audience. From insightful panel discussions to a highly engaging masterclass, the programme set a strong benchmark for impactful industry gatherings. I was proud to be part of such an important platform dedicated to supporting future leaders."

Captain Hesham Mahmoud Darwish

"It was a pleasure to participate in the conference, which was well organized and provided a strong platform for engagement and knowledge sharing. The event offered a valuable opportunity for the mutual advancement of the aviation industry to highlight its role in developing economic capabilities through targeted aviation training. I look forward to continued collaboration to strengthen sector's participation and leadership in the aviation sector."

Eng. Wafahj Hamed Helwanli,
President, Saudi Academy of Civil Aviation

"The conference reflects the strength of an industry shaping by diverse minds and a shared sense of purpose. What truly sets this apart is the opportunity aviation leaders will gather to share – advancing sustainability, enhancing safety, and preparing for a future built on equity, collaboration, and meaningful impact. Your presence here today is a part of this conversation and contributes to the collective vision shaping our sector's future."

Maryam Almesoud,
COO of Sustainability, GulfAir Group

Speaker Testimonials

"Thank you for organizing such an important conference. The sessions were inspiring and highly relevant, highlighting the critical role of women in shaping the future of aviation. I appreciated the practical discussions and the opportunity to connect with professionals across the industry."

Elaine Khurshid,
Head of HR, Training and L&D, Saudi Academy of Civil Aviation

"It was a learning opportunity from the various industry experts to witness firsthand the goals. At the same time, it was motivating to share insights about my field of work and collaborate with the future generations and experts of tomorrow. Thank you to the event organizers!"

Mari Mital,
Groupy Director - Commercial,
Pakistan Airports Authority

"The conference was an inspiring platform that truly celebrates the impact of women's contribution to aviation. The conversations were powerful, authentic, and forward-looking, reinforcing the importance of leadership, collaboration, and visibility. Thank you for creating a space that nurtures and elevates women across the industry."

Rehail Umair Khan,
General Manager - Middle East, Africa, and Turkey, IATA

Speaker Testimonials

"The consulting group was pleased to participate in the sector experts forum and the conference engaging with industry leaders and sharing insights on graduate practices."

Both events were exceptionally well organized and we appreciate the opportunity to contribute and reinforce the core values outlined in the forum."

Marlene J. Salinas,
Founder & CEO, Nth Consulting Group

"It was a pleasure to contribute to the discussion around sustainability innovation and what contribution to the education of students we could make. Thank you for the invitation. Michelle Reed, Vice President Market & and my fellow panelists and inspiring women leaders"

Abeer Ali Hashmi,
Founder and Managing Partner, Everest Work Advisory Services

"The conference was very well organized and provided a valuable platform for knowledge sharing, meaningful discussions and networking. I was an honor to speak at the conference and contribute to discussions on empowering future generations in aviation. The energy and wisdom throughout the event highlighted aviation industry how these changes would and significant opportunities to sustain across the aviation industry."

Rishat Aliyev,
Managing Engineer, Saudi Airlines

Speaker Testimonials

"Attending the conference was a high-impact event that successfully combined inspiring leadership, meaningful discussions, and strong industry engagement. It provided a valuable platform for knowledge sharing, networking, and amplifying women's voices in business. A well-organized conference with outstanding speakers!"

Taina Afeyin,
Head of Communications, Bredaglobal Africa

"Participating in the conference at Global Impact Forum was a truly enriching experience. The panel discussion featured expert, forward-thinking conversations on empowering women, advancing leadership, and navigating transformation within the current industry. I was proud to contribute my perspective and engage with a community committed to creating impactful change and supporting the next generation of women leaders in business."

Dr. Helga Blum-Kirschbaum
Vice-Chairman, IFAA

"The impact of the panel reminded me that progress in women starts with further education before technology can take flight."

Eng. Nana Agwala,
Executive Director, Savio Corp.

Speaker Testimonials

"Attending the conference was a high-impact event that successfully combined inspiring leadership, meaningful discussions, and strong industry engagement. It provided a valuable platform for knowledge sharing, networking, and exploring various issues. It was an excellent and successful collaboration with lasting impact."

Hana Al-Husseini,
Spice Generation Advisory Council

"It was an honor to participate in the conference, contributing to an important discussion on the future pathways and new opportunities across the sector. Our institution shared the stage with such accomplished professionals who are shaping the future of aviation in the region and beyond."

Nama Ceylan, Director, Ceylan Airways

Airport Excellence Awards

Celebrating Excellence, Inspiring Progress in Aviation

The Airport Excellence Awards is a highlight of global aviation events, showcasing outstanding achievements, innovation, and best practices across the global aviation industry. The awards honour pioneering initiatives and projects that demonstrated excellence in areas such as airport infrastructure development, sustainability, and passenger experience.
