Inauguration Ceremony

The expo was inaugurated on July 29, 2025 by esteemed dignitaries:

- **Dr. Monica Olala**
Senior Deputy Director, Livestock Production (Chief Guest)
- **Mr. Paul Ndungu**
Acting Director, Regulatory Service (Guest of Honour)
- **Ms. Irene Kimani**
FAO Representative (Special Guest & Invitee)
- **Mr. Sanyal Desai**
CEO, Radeecal Communications (Key Organizer & Moderator)

Exhibition Highlights

- Showcased the latest in dairy processing, milking technology, cold chain solutions, and eco-friendly packaging.
- Live demonstrations and product launches by leading manufacturers and startups.
- Active business interactions, dealership discussions, and import-export negotiations.
- Co-located Foodtec Africa Expo brought in food processing, bakery machinery, and food packaging brands under the same roof, enriching cross-sector collaboration.

Visitor Demographics

The 2nd Edition of Dairytech & Foodtec Africa Expo 2025 witnessed strong visitor engagement from across East Africa and beyond, highlighting the growing importance of urban food systems and climate-smart innovations in the dairy and food industries.

Visitor Profile by Seniority Level

The show attracted decision-makers and professionals across all tiers of the dairy and food value chain:

Visitor Industry Segmentation

The Expo was highly focused on technology-driven solutions with broad industry representation.

This diverse representation reinforced the Expo's commitment to connect policy, innovation, and industry for the sustainable advancement of East Africa's food and dairy systems.

Conference Program Overview

Theme:

Dairy for Health & Wealth – Policy, Innovation & Sustainability in East Africa's Dairy Sector

Day 1: July 29, 2025

Panel 1: Shaping Policy and Regulatory Space to Promote Production and Trade in the Dairy Sector

Panelists:

- Dr. Kimutai Maritim – Managing Director, Kenya Dairy Board
- Christopher Wanga – Director of Policy, Ministry of Agriculture & Livestock Development
- Dr. Allan Azegelle – Directorate of Veterinary Services (DVS)
- Mr. Francis Miring'u – CEC, Nyandarua County
- Mr. Arinda Nelson – East Africa Coordinator, Yoba For Life Foundation

Key Takeaways:

- Need for policy alignment across East Africa to foster regional trade
- Empowering counties for localized dairy infrastructure and policy execution
- Strengthening certification, pricing mechanisms, and institutional governance
- Emphasis on nutritional programs using probiotic dairy innovations
- Advocacy for increased public-private partnership in policy shaping

Day 2: July 30, 2025

Panel 2: Product Quality and Safety as a Tool for Market Penetration

Moderator:

- Fred Odhiambo – Kenya Dairy Board

Panelists :

- Waithera Ng'ang'a – Group Director, Corporate Affairs, Biofood Products Ltd & Highlands Drinks Ltd
- Paul Ndungu – Kenya Dairy Board
- Esther Ngari – Director, Kenya Bureau of Standards (KEBS)
- Dr. Ann King'ori – Directorate of Veterinary Services
- Florence Mutua – ILRI
- Dr. Ruth Ndungu – Technical Expert – Ruminants, Unga Farmcare

Key Takeaways :

- Importance of food safety from farm to fork for consumer confidence
- Enforcement of KEBS standards, traceability, and labeling
- Vet public health role in preventing contamination and zoonotic diseases
- Private sector case studies on maintaining quality in large-scale operations
- Role of education and awareness in expanding markets for safe dairy products

Panel 3: Research & Innovation as a Game Changer for the Dairy Sector Amidst Climate Change

Moderator:

- Mr. Sila – Performetre

Panelists :

- James Rao – ILRI
- Nehemiah Ngetich – Kenya Biosafety Authority
- Colm D'Odlir – Promaco
- David Maina – AU-IBAR
- Priscilla Kaumo – Techpak Industries Ltd

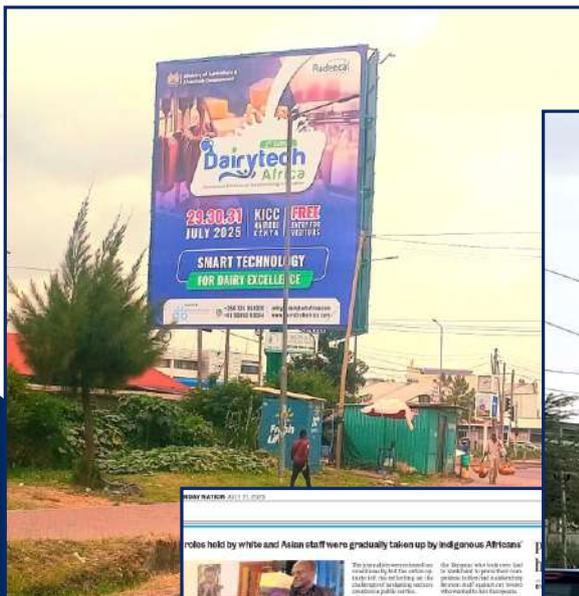

Key Takeaways :

- Integration of biosafety, climate-resilient breeds, and smart dairy farming
- AI, IoT, and digital data to modernize herd health and milk yield
- Smart packaging innovations for sustainability and shelf-life improvement
- Strategic linkages between research institutes, industry, and policymakers
- Commercializing innovations to boost farmer incomes and environmental resilience

Glimpses of Dairytech & Foodtec Africa 2025

Glimpses of Dairytech & Foodtec Africa 2025

Conclusion

The 2nd Dairytech Africa & Foodtec Africa Expo 2025 was a pivotal platform that brought together policymakers, innovators, and entrepreneurs to address challenges and unlock opportunities in the dairy and food sectors across Africa. Through interactive exhibitions and impactful conference sessions, the event helped chart a new course for sustainable dairy and food processing industries in East Africa.

We extend our sincere thanks to all exhibitors, delegates, speakers, and partners for their valuable contributions.
